

EDUCAUSE Annual Conference Indianapolis, IN: October 27, 2015

Tobin & Taylor, "Six Secrets for Evaluating Online Teaching" Pre-Conference Workshop
Evaluation Results

Attendance: 35 Respondents: 5

- 1. Overall evaluation of session
- 2. Degree session met the outcomes described in the program
- 3. Facilitator knowledge of topic
- 4. Audience engagement
- 5. Reinforcement of key points
- 6. Effective use of media and/or handouts to support session

Comments:

- I have attended five EDUCAUSE and two Campus Technology conferences. This was by far the best session I've ever attended.
- Not enough audience involvement. Mostly a one-way presentation, rather than a workshop.
- This session really was excellent.
