 Great presentation!
 It was awesome! Best session of conference.
 Love it.
 Many take-aways. Thought it would have a hands-on activity. Small group discussion was fine.
 One of the best of the last 3 days!
 This was by far the best session I attended at this conference. Bravo!!! 😊
 Tobin is an awesome presenter. I would have loved to see a UDL (or something) workshop from him. Tobin rocks!
 Very engaging & entertaining speaker. We had more time to talk & share in our small groups. Examples of what we already do, can easily do.
