I learned a lot from the speaker.

Very informative! Interactive! Dr Tobin was knowledgable!

Engaging presenter; learned lots of information I previously didn't know

It was informative and helpful.

Great means of thematically connecting it all, but not all of it was entirely useful.

Information was structured well, but was overall more basic than I'd hoped for. I hope we'll delve deeper in the next sessions.

Learned much, looking forward to the next one

The information was very helpful, informative, knowledgeable, and timely.

Clear, engaging presentation of complex material

Didn't even realize the time was passing. I was sure 90 minutes would drag by. Great information, very engaging.

Covered a lot of the basics, but in an effective way that will make it easier to communicate with others.

Very informative. I thought that the PANE stuff was very valuable.

Thomas has a nice take on the material. His delivery was excellent and he contectualized himself in the role as a non-lawyer instructor very well.

Tom is very knowledgeable, numerous takeaways, and other ways to think about copyright

Learned some new information, found some helpful ways to share

Very helpful and some new information to share!

I've learned a great deal

an engaging and useful overview of the sneaky and it-depends Fair Use guidelines

Most of us seemed to know a lot of the points covered, although I also learned a great deal... maybe administer the first quiz we took before starting and let anyone who didn't get everything right read something supplemental? The presenter is great!

Just enough information to be helpful, but not overwhelming. Appreciate that is was interative and entertaining.

The historical background, PANE were very helpful.
