5. In a few words, share your over-all impression of this keynote.

- Entertaining and informative.
- Great energy, dynamic speaker, engaging content, and very applicable to my job!
- Great speaker - held our attention well! Awesome illustrations.
- Great speaker! Very interactive and didn't feel disengaged at any point.
- He is a confident speaker who commanded the attention of the audience.
- He was inspiring and persuasive--a great evangelist for UDL!
- He was very engaging and knew his subject very well.
- I appreciated his presentation of practical things to do today.
- I came to this session completely in the dark about UDL and leave committed to learning more and applying it in my classes.
- I loved the Star Wars theme! Tom is a great speaker and really cares about his students.
- I was very pleasantly surprised. I wasn't anticipating so much valuable information at the start, I think I know everything! I didn't read the description before the presentation, an option for N/A or does not apply would be great!
- More evidence-based, and practical strategies for implementing UDL into classrooms and digital spaces.
- Very engaging speaker; enthusiastic about his topic and wholly invested in UDL.
- Wonderful!
