QX-K 2018

"Go Beyond Usability with Universal Design for Learning"

November 11, 2019 • 1:00 - 2:30 PM

Yorkview Hall

Lunch will be provided

Dr. Thomas Tobin will introduce you to Universal Design for Learning, especially as newly revised for higher education (CAST, 2014). You will discover how to implement UDL in the design of your online course and service interactions, creating spaces for best teaching and support practices to take place - in the classroom and beyond
