

## Participant Rating Results

Attendance: 19

Respondents: 15

Please indicate your level of agreement with the following statements.

1. This session’s information will be useful to me in my work.
2. The description matched what I experienced in the session.
3. The speaker demonstrated good presentation skills.
4. Over all, this was a good session.

### 5. In a few words, share your over-all impression of this session:

- Lots of opportunities to engage. I enjoyed hearing from others. Will need to apply in simulation, specifically pre-sim.
- Engaging speaker! Ran out of time to hear all presenters.
- Helpful for preparation of future course revamps.
- Engaging, thought-provoking.
- This solidified a lot of what we try to do and encourage in course design. It gave us some new insights and ways to drive the UDL discussion.
- Engaging speaker(s) & helpful strategies/information, some from faculty perspective to be able to better aid students in my support staff role.
- Grateful for sponsored faculty development. These should be attended by all professors, it doesn't matter the years of experience.
- I really appreciate the mentions of admins supporting teachers by also applying UDL.
- We have really enjoyed having you join us. Your presentations are relevant and engaging. Thank you!
- Energetic, engaging, applicable.
- Thought-provoking!
- I thought this was a very open session where questions and opinion could be asked. Very encouraging to try UDL in some shape or form.
- Can't wait to continue to implement items learned. I would love training at the program level, to brainstorm how to have discussions within our program, in addition to the university level.
