Dear Tom:

Thanks again for your keynote presentation, “Secrets of Universal Design for Learning for Community and Technical Colleges” at NISOD’s Fall Virtual Conference. Your knowledge and passion for the subject was apparent to everyone in attendance, and the way you engaged the audience—even in a virtual environment—was exceptional. One attendee summed it up nicely:

*This was one of the best keynote speakers (virtual or in person) ever for me. I am glad I was fortunate enough to be a part of his presentation!*

It was wonderful to meet you, and I look forward to our paths crossing again in the future.

Best wishes,
