10<sup>th</sup> December 2024

To whom it may concern,

Dr Tom Tobin visited our institute on Thursday 28<sup>th</sup> November 2024 to celebrate the launch of our publication "You can UDL it!". At the event, Tom delivered a keynote titled "Celebrating 'You Can UDL It!': How You Can UDL It, Too", in which he offered insights into how we might build on the initiatives in the publication to implement the principles of UDL more widely within the Institute. Tom's keynote was most engaging and interactive and was positively received by the students and staff in attendance.

It was a pleasure to work with Tom throughout the process of organising this event, from our initial contact on email and a number of video calls to tease out the details to the final delivery of his keynote. Tom's enthusiasm and his highly organised approach ensured that the whole process ran smoothly.

I'm delighted to recommend Tom and very much look forward to working with him in the future.

Kind regards,
